11:40 AM | Vote of Thanks by Mr. Sanjay Huprikar, President, Europe and South Asia Operations, IPC
11:45 AM | Visit to Skill Challenge Competition Hall & meet participants from Indian electronics manufacturing companies

Technical Session

12:00 PM | Presentation on “Harnessing Europa (a Jupiter-orbiting spacecraft) - NASA Project” by Jacklyn Perry, Johns Hopkins University Applied Physics Lab
1:00 PM - 2:00 PM | Networking Lunch

Panel Discussion

2:00 PM - 3:15 PM | “India: Emerging Aerospace Electronics Hub” – Opportunities, Challenges and Way Forward Session Moderator: Mr. M Sankaran, Director, UR Rao Satellite Center (URSC) Panel Members:
- Wg Cdr Venugopal Menon (Retd), Hon. Secretary, Society of Indian Aerospace Technologies & Industries (SIATI)
- Wg Cdr Rachit Bhatnagar, CEO, Aerospace & Aviation Sector Skill Council (AASSSC)
- Mr. Ramachandran Natarajan, President, Aerospace Industry Development Association of Tamil Nadu (AIDAT)
- Mr. Shripathi V, Member of Association of Electronic Industries in Singapore (AEIS)
- Mr. J Krishna Kumar, Scientist “F” Regional Director RCMA (APS), Member of CEMILAC, DRDO Q&A Session

3:30 PM | IPC Award Program

- Top 12 Members engaged with IPC educational resources for last 5+ years
- Volunteer of the Year (2020 – 2021) Professionals from industry contributing to IPC Globally
- IEMI Supporting Partners:
  - Indian Associations & Chamber of Commerce
  - Media Partners
  - International Associations
  - Sponsors
- Skill Challenge Winners & Runner up (India Region):
  - Hand Soldering
  - Wire Harness
  - PCB Design

4:30 PM | High Tea & End of Program

International Delegates:

- Holy Stone Holdings(S) Pte Ltd
- DYNACAST
- HIBEX
- Interflux Singapore Pte Ltd
- Inout Enterprise Pte Ltd
- American Tech
- McCoy Pte Ltd
- Marnath Trading and Contracting
- GPV Lanka (Pvt) Ltd
- Flinteck Transducers (Pvt) Ltd
- Singapore
- Singapore
- Singapore
- Singapore
- Singapore
- Singapore
- Qatar
- Srilanka
- Srilanka

Exhibitors:

- ISRO
- NANO TECH - TMI
- JBC
- EFY Group
- Static Systems
- Microtech
- Zeiss
- AdvanceTech
- Peninsula Electronics
- EMI Solutions
- Ray-G Interconnect
- HTL
- Models of satellite, spacecraft, launchers
- Automation, EV, HVAC, Analytical Test & Measurement Solution
- Soldering automation, peripherals
- Electronics & Technology digital & print publication
- Electric fencing, metal detectors, entrance automation, polescan, security probs.
- SMT materials, cleaning, coating materials & tools, thermal profiling
- Reliable, high-quality measuring technology
- Soldering, de-soldering, screw assembly, test & measurement, ESD, solutions
- Quality products and services to aviation, space, defense and allied sectors
- Test, accessories, optical sensing
- EWIS components and harnesses for industrial applications
- Optical fiber cables & component, connectivity & wiring interconnect solutions
